Saffron is NOT expensive

Read here why:

You need very little per recipe!

Saffron is the
most expensive spice in the world

True, **BUT**

**But you need only so *little* of it
that**

**you can make 15 to 20 dishes
and some cups of tea**

with only 1 gram of Saffron

All together for just € 3.00

**So you will spend on average
about 15 - 20 Eurocents on Saffron
per recipe**

Now that's affordable!

**We at Crocussativus.eu bring you
Saffron within your reach!**
